

## DRIVER UNIT WITH BUILT-IN TRANSFORMER

### P-15FT

|                         |                                                                                                           |
|-------------------------|-----------------------------------------------------------------------------------------------------------|
| RATED INPUT             | 15W                                                                                                       |
| IMPEDANCE               | 670 $\Omega$ (15W)/1k $\Omega$ (10W)/1.3k $\Omega$ (7.5W)/2k $\Omega$ (5W) <High Impedance 100 Line>      |
| DIAMETER OF JOINT POINT | $\phi$ 34.925mm                                                                                           |
| SOUND PRESSURE LEVEL    | 108dB (at 1m, 1W input)                                                                                   |
| FREQUENCY RESPONSE      | 160Hz~8kHz (Deviation 20dB)                                                                               |
| FINISH                  | Throat: (Aluminum die-cast), Gray (Munsell N4.0 Approx.)<br>Case: (Aluminum), Gray (Munsell N4.0 Approx.) |
| DIMENSIONS              | $\phi$ 92(Diam.) $\times$ 127(Length)mm                                                                   |
| MASS                    | Approx. 1.4kg                                                                                             |
